

CARING FOR OUR MISSIONARIES

& International Church Leaders

✂ EXISTING MISSIONARIES & CHURCH PLANTERS

Our Mannahouse missionaries and church planters are serving in many nations around the world. As a church family, you can come alongside these frontline workers and provide care and support as they minister to others. Here are some simple ways you can care for our missionaries and church planters:

Write an encouraging email, note, or video clip and send it to them. Simply communicating with care shows that you think of them and speaks volumes.

Invite them to visit your small group through a digital platform like Zoom, Facetime, etc. Allow them to share and then spend some time as a group praying for them.

Follow and interact with them on social media.

Commit to praying for them every day.

Consider giving financially.
